# Welcome

On behalf of Peoples Church and the NEWIM team, welcome to *Hearts Awakened!* Our hearts are full of expectancy and love for you.

The seeds for this conference were planted several years ago, with an invitation extended to Anne Graham Lotz, asking her to return to Fresno to share her heart once again. We believe that this is the right time, with the right people (You!), and that what we experience in these hours together will touch not only our own lives, but our families, friends and the world around us.

Our prayer is that each of us will be revived and renewed, with hearts awakened to the reality that Jesus is coming again....and that our mission is to live our lives sharing the message of love and hope we have in Him.

Dear Sisters in Christ,  
The Network of Evangelical Women in Ministry is so glad that you are here! We believe that the Lord has brought each of you here because He loves you and has set aside this special time to minister to you through the worship, the messages, the resources and the fellowship with Him and with others. Our prayer is that you will remember this day as the day that you realized in a new way not only the joy of His presence but His call on your life!

“And we pray that you may live a life worthy of the Lord and may please Him in every way. . . bearing fruit in every good work, growing in the knowledge of God. . .” Colossians 1:10

She has developed and led workshops on worship and songwriting throughout the country as part of the Tommy Coomes Band. Anne has been a guest speaker for conferences all over the nation including the Billy Graham Schools of Evangelism and various women's conferences.

Anne and her husband John travel extensively leading worship and ministering in churches and conference centers. They have recorded seven CD's of their own and have eleven as part of the Tommy Coomes Band. Anne has also been a studio musician for the past 22 years recording for television, radio and various artists.

Anne lives in Newbury Park, CA with her husband John and son Evan.

# Anne Graham Lotz

Called "the best preacher in the family" by her father, Billy Graham, Anne Graham Lotz speaks around the globe with the wisdom and authority of years spent studying God's Word.

Anne was born and reared in Montreat, North Carolina, the second daughter of Billy and Ruth Graham. For twelve years she taught a weekly Bible Study Fellowship class in Raleigh, NC. In 1988, Anne established AnGel Ministries, a nonprofit corporation which seeks to give out messages of biblical exposition through her speaking, recordings, and books.

The *New York Times* named Anne one of the five most influential evangelists of her generation. She's been profiled on *60 Minutes*, and has appeared on TV programs such as *Larry King Live*, *The Today Show*, and *Hannity Live*. Her *Just Give Me Jesus* revivals have been held in more than 30 cities, in 12 different countries, to hundreds of thousands of attendees. Anne is a best-selling and award-winning author. Her most recent releases are *Expecting to See Jesus* and her first children's book, *Heaven: God's Promise for Me*.

Anne's influence in NEWIM began in Southern California 22 years ago, as the keynote speaker at many of the conferences. God has used her to inspire, encourage, and challenge through her messages and her example. In 1998, we were blessed to have Anne in Fresno for NEWIM's Chosen Women stadium event, as well as for an event the day before to launch the San Joaquin Valley Chapter of NEWIM.

In 2005, her *Just Give Me Jesus* revival event was held in Fresno at the SaveMart Center, with over 14,000 women (and a few men!) attending, coming from throughout our state.

Wherever Anne goes, and whoever the audience, her aim is clear - to bring revival to the hearts of God's people. And her message is consistent – calling people into a personal relationship with God through His Word.
