## About NEWIM

The Oaks is a ministry of the Network of Evangelical Women in Ministry (NEWIM), an organization designed for women serving women in lay leadership or staff positions. Newim's purpose is to strengthen women who minister to others in their walk with God, equip them with resources to meet the needs of women today, encourage them in their ministry, and provide them with networking opportunities. For further information on Newim, and membership opportunities, please contact our office at (714) 964-7236 or [www.newim.com](http://www.newim.com).

*During those two days, God really spoke to me in many different ways...I was really able to hear Him.*

*I loved the specific challenges to leaders biblically and practically.*

*Networking, resourcing and mentoring at it's best and all in one place.*
