We will have times of coming together for Biblical teaching, worship and prayer and then times when you will have lovely stretches of solitude for your personal devotional practices. The Springs offers 3 tracks: tracks 2 & 3 have less structured program and more time for you to be alone with the Lord.

"The time of solitude was a time of drawing near to God in a way that I have never done before. The Springs was one of the most significant turning points of my life as a leader."

"My life will never be the same."

"My heart was so refreshed as we sang, read Scripture, prayed, took afternoon naps, walked along the paths, spent evenings in silence, shared ideas about journaling and were encouraged from the Word."

"The Springs is like getting away with your very best friend. I found intimacy with Jesus on a level not easily achieved in the day-to-day grind."

*"You will be like a well-watered garden,
like a spring whose waters never fail."*
